NSCC Institute of Technology Campus - Halifax, NS

September 2024 to Present

Skills

- Time management
- Teaching (3 years)
- Leadership (3 years)
- Efficiency
- Communication skills
- Computer operation (5 years)

Certifications and Licenses

WHMIS Certification April 2021 to Present OHS Safety Certificate September 2024 to Present

Groups

Student council

September 2021 to June 2023

In school, I was part of the student council, playing the roles of Vice President and President for the two years I joined. While working on the student council, I've taken on a lot of leadership roles and responsibilities. Since working with the student council I found that it has helped me a lot when it comes to working with other co-workers on site.
